

International Short-Term Programs

To recognize study mobility in France

In the fields of:

- Arts, Literature, Languages, Architecture and Design
- Law, Economics, Management, Political and Social Sciences,
- Social Sciences and Humanities
- Science and Technology
- Health
- European Studies
- French as a foreign language

Each Short term Program must be unique, therefore we develop with you a tailor-made program around one specific thematic or, why not, around different themes.

Rely on the expertise and reactivity of our staff to organize a personalized program that fits your needs: we propose a variety of academic offer as well as a range of rich cultural activities in the city of Strasbourg:

- Discover the European Institutions
- Visit and role play at the European Parliament
- Explore UNESCO sites
- Enjoy the French-German cross-border region
